[Trailer for "An Inconvenient Truth"](#)

<http://video.google.com/videoplay?docid=2078944470709189270>

Language note: An "inconvenient truth" is a truth that people would rather not hear or think about.

In this case the truth is that the world is warming up. If we don't do something soon to stop this happening, human life on earth is in danger of extinction.
